

**Office of the Chief
MEMORANDUM**

DATE: October 20, 2016
TO: Board of Fire Commissioners
FROM: Brian Gorski, Fire Chief ^{BG}
RE: **FY2017 Battalion Vehicle Purchase**

RECOMMENDED MOTION(S) OR ACTION(S):

To approve proposed Resolution 2016-13 for the purchase of a vehicle for our Battalion Chief and the funding methodology for this vehicle.

REPORT:

In accordance to our vehicle replacement program, for FY17 it calls for the replacement of our Battalion vehicle (2008 Yukon SLT). In the preparation of our FY17 budget, the funds for the replacement of this vehicle was approved and is contained within our FY17 Approved Budget.

During the months of May through August 2016 our apparatus committee had numerous meetings to determine the most versatile vehicle for the Battalion Chief Job function. The vehicle selected was the GMC Yukon XL, specification #31. This vehicle provides the most versatility for our Battalion Chiefs. Based on this, the District was able to piggyback onto the State of Florida Cooperative Bid for Fire/Rescue Support Vehicles, State Bid #15-23-0904.

The District will purchase this vehicle utilizing the funds that were approved in the FY17 budget "Capital-Vehicle".

The Suburban is the most versatility vehicle for our Battalion Chiefs and allows for them to safely carry the necessary equipment for the establishment of a Command Post on working emergencies as well as the necessary space to transport equipment and supplies to our Stations while conducting their daily Station visits. This vehicle also offers the best in safety features to protect our employee's while responding to emergencies.
