**During the month of August crews completed fire related, ISO credited, training on Target Solutions. In addition, all personnel completing CEU's on Target Solutions for Emergency Medical Technicians (EMT) recertification have completed the required number of hours to recertify. Next, the Training Division would like to thank Keith Tyson for teaching the Cancer in the Fire Service 2 hour class to SMFR personnel. Unfortunately due to severe weather conditions, the last class had to be cancelled. This class is to be rescheduled in the near future. Lastly, personnel completed the Annual Apparatus Recertification Written Exam. This is the first year that the exam was proctored and assigned on Target Solutions. A thank you goes out to Lt. Perry for creating this new exam within Target Solutions!**
