During the month of January the training division started off the first of a three part series on Hot Trainings. These trainings will simulate the first in companies on a working structure fire. The crews will practice fire line placements, ladders, ventilation and rescue trapped occupants. The series will end in March where a simulated rescue of a downed firefighter will occur. The practical drills will have 3 companies and a Battalion all working. Also this month all crews worked on a 6 hour Weapons of Mass Destruction class. Crews started January off with an EMS module which will be assigned monthly to achieve there required CEU hours for December 2018. Finally this month the Training Division said goodbye to Captain Crawford as he retired. Lieutenant Thayer will assume his duties and will be promoted to Captain.
