Fire / EMS Report:

This month crews were mainly busy with assisting the Fire Prevention Bureau with public education programs in the schools. This month crews continued working on the annual driver’s recertification program. This month crews were required to drive the apparatus with trailers attached. This is an end of year comprehensive program that is mandatory for all our drivers. The month of December we will complete the aerial portion with our new ladder truck. This month also the Group Fitness committee had a special guest speaker. This speaker from Masterful

Marketing taught a nutrition class to our personnel based off our Life Scan blood work. Finally this month crews completed several EMS and Fire classes to continue education in each field.
