**RE: Southern Manatee Fire and Rescue District
State Acceptance - All reports through 10/1/2018**

Dear Ms. Underhill:

The above-referenced plan has been determined to be **state-accepted** pursuant to Part VII of Chapter 112, F.S. and Chapter 60T, F.A.C. By this determination, all prior actuarial reports and impact statements effective prior to the above date and received by the Division of Retirement may be considered to be **state-accepted**.

This review relied upon the actuarial costs and asset amounts as determined by the Plan actuary in the referenced actuarial reports. Although I reviewed the results of the reports for compliance, consistency and reasonableness, I did not audit the asset information or employee data information for accuracy. Accordingly, I express no opinion on the reasonableness of the estimates of the financial status of the plan. An audit may or may not uncover additional material issues in the actuarial work performed.

Should you have any questions, please do not hesitate to call us.

Sincerely,

Douglas E. Beckendorf, A.S.A., E.A.
Actuary
