Fire / EMS Report:

This month the Training Division complete practical mutual drills at Station 3 training grounds. Crews from CHFR, EMFR, & City of Bradenton participated. These drills were used as a foundation for the closest unit response that will begin in July 2022. This month we also began the preparations for the quarterly firefighter promotions. Three personnel are eligible to promote to the next rank in their firefighter class. This month the Training Division also started preparations for the next Command Staff training. This will be the 2nd quarter in a row where our districts Training Division will host the county Battalions Command Staff training. Finally, this month we placed four new AED units into service on our staff vehicles. Each member was given an In-Service on these units to ensure rapid deployment in the event of an emergency
