Re: "Friendly" Lawsuit – Manatee County Property Appraiser Office

After a lengthy discussion at the Southern Manatee Fire Rescue District's October 17, 2019, Board meeting with the District's Attorney, there was a unanimous consensus among the Board of Fire Commissioners not to join in your "friendly" lawsuit against the Manatee County Property Appraiser's Office at this time.

Sincerely,

A handwritten signature in black ink that reads "Daniel Center".
