Courses Completed:	LT Tumolo – SERP Class F/F Ely – SERP Class LT Hodges – SERP Class F/F Lear – SERP Class Insp. Washington – SERP Class F/F Segneri – Aerial Operations

Fire / EMS Report:

This month the Training Division started working on the October quarterly firefighter promotions. We have three personnel eligible to start this process. This month we also finalized our year long product consultation with Ro Brady. This device will be used with airway procedures and the demo unit has been delivered. I will be making a final demo to the Medical Director in the first week of October and we will be starting the training the following week. This month we also started teaching our state classes to assist in the development of our future officers. These classes are all state approved with approvals meaning they are eligible for state certifications. Finally, this month we revisited our post fire decon procedures and held practical trainings for all three shifts.

October Training Topics:

Group Fitness
OIC Training
Water Rescue Practical's
Drivers Training
EMS Modules/ Target Solutions
EMS Protocol Written Exam
Amazon Facility Tours
Haz-Mat Annual Drill
Mental Health Awareness Class

State Certifications:

F/F Moonen – Instructor I (Renewal)
F/F Young – BLS Instructor
