Fire / EMS Report:

This month the Training Division complete several Firefighter Promotional Processes, as well as several Officer Training programs. All personnel passed and were subject to written and practical testing, as well as a review board. This month the Training Division also began working on the promotional process for Lieutenant, Battalion Chief, and EMS Officer. These assessments will take place in January and February next year. We also started the process for Firefighter new hires. This month the Training Division also participated in the EMS Advisory Board meeting at Suncoast Technical College and the Fire Science Advisory Board at Manatee Technical College. Finally, this month the Training Division and Engine 312 C-Shift crew participated in a PSA for Gang Violence with Sozo's Ministries.

Fire / EMS Report:

This month the Training Division complete the promotion of two Firefighters to 1st Class. Both these individuals did an amazing job with their written and practical testing. This month EMT students from Suncoast Technical College also precepted on our ALS Engine from Station 1. All of these students did a great job and received a lot of scene skill practice. This month the Training Division also assisted Manatee Technical Institutes Paramedic program with doing student interviews.

Commissioners it has been my honor to serve the district and citizens for over 33 years. This will be my last report as Dan Anderson will be taking over the Training Division next month. I wish everyone in the district continued success.
